

Sinnott's Sand Bar

Volleyball

Coed 6x6 General Rules

***Need at least 4 team members to begin play**

***Must be 18 years old to play**

***50% of players on the court must be female**

***Best of three games. Rally scoring to 21 for first two games and third game to 15 if needed.**

***If there is more than one contact per team, a female must make one of those contacts before the ball can go over the net.**

***Three consecutive overhand serves allowed and one underhand- no jump serves**

***No blocking or spiking serves**

***Responsible spiking**

Reminders:

- 1. No outside food or drinks are to be brought inside the bar, patio, or volleyball court area.**
- 2. No alcoholic beverages can leave the premises at any time**
- 3. Kids are not to be inside the bar unsupervised**
- 4. The water jugs and cups are strictly to be used as refreshments.**
- 5. The hose is only to be used by volleyball players to wash feet. In no way should the hose be played with by any children.**
- 6. Good sportsmanship is a must. Any players or teams causing fights or not following the rules will be asked to leave the bar or the league.**
- 7. As we try to keep our patio and courts clean for you please help us out by using our trashcans and ashtrays.**
- 8. You are responsible for reporting your scores at the end of the bar after your match is complete. Must report how many wins your team had.**
- 9. Children need to be supervised at all times and kept safely away from the courts. Please don't let your kids dig any holes or have a lot of toys near the courts. This becomes a major hazard for our volleyball players. Kids are never to hang on nets or walk on the walls.**

Payment

Full league payment is due on the first week of play. Teams will not be allowed to continue play without all paid league fees. ****We are no longer accepting individual payments from team members. The league fees must be made in one lump sum by the team captain.** Captains are responsible for collecting the league fees from their players. If payments are not made the captains will be held responsible for paying the remainder of the fees and your team may be dropped from the league.

□

Schedules

Due to late registrations or team dropouts, schedules for the season will come out after the first week of play. When you come to your first week of play, who you will be playing and what court you will be on will be posted at the bar. The main thing to remember is that you will play the same day and time every week for nine weeks. The tenth week will be tournament play, this is the only night that your playing time might change. Schedules are subject to change if a conflict arises if deemed necessary by staff.

□

Scores

Each team is responsible for writing their scores on the sheet provided at the end of the bar. Weekly scores will be used to place your team in the seeded, end of session tournament. If scores are not reported weekly, a zero will be put in for that week.

□

Tournaments

On the final week of the session every team that plays that night will be bracketed into a tournament. All tournaments will be single elimination. Depending on the number of teams in the tournament will determine how many points to play to, the third game will only be played if needed, and there will not be longer than 5 minute breaks between sets and games. If for any reason your team can't or does not want to play in the tournament please let us know ahead of time. Teams will be given 15 minutes from the start of the tournament to begin play. If teams are not there within the 15 minutes they will forfeit the game. There will be prizes given to the winners of each tournament. All of the coed 6x6 rules will be used in the tournament. Brackets for the tournaments will not be given out ahead of time, so all teams need to be there at the start of the tournament. Teams can't request to be placed in certain rounds due to a time preference. Also for tournaments you may not have any new players that have not played in at least three of your regular season games.

□

Weather

We will do our best to call the games due to weather at least an hour before they start. We will post cancellations on our **weather hotline 402-502-7093**. We may have a short delay to wait out weather before cancelling for lightning and any severe weather. We will typically not cancel games for light rain.

□

Rain Outs

Rain out nights will not be rescheduled. If in the tenth week the tournament gets rained out, it will not be rescheduled. No refunds will be given if any of your league nights gets rained out.

□

Waivers

Attached is the waiver form that everyone on your team (including subs) needs to sign. You can print it off and have everyone sign it ahead of time and bring it on the first night or I will have a copy for you to have your team sign that night. If your team played in the spring you do not have to sign a new waiver. If you have some new players, you will need to have them sign the waiver.

□

Forfeits

If your team can't make it on your scheduled night it will be considered a forfeit. If your team is not there within 15 minutes of your scheduled start time in league or tournament it will also be considered a forfeit.

□

Refunds

Since we are not in control of weather or what days holidays land on, you will not always be guaranteed ten weeks of play. Please do not assume that if games are cancelled due to weather or holidays that they will automatically be rescheduled or that you will get a refund. We will do everything in our power to reschedule games if the schedule permits. Once league play has begun there are absolutely no refunds. Deposits are also non-refundable.
